In accordance with our Mission statement:	Yes <input type="checkbox"/>	No <input type="checkbox"/>	Partially <input checked="" type="checkbox"/>
Comments on accordance:	<p>From Mission Statement: Support and strengthen existing campaigns against nuclear weapons by organizing international youth participation "As a network we join the worldwide struggle for nuclear disarmament while focusing, as a first step, on Europe." The Japan Council against Atomic and Hydrogen Bombs is a only Japanese organisation so a cooperation is questionable but why not knowing what's happening around the globe and supporting each other.</p>
