

Join in!

BANg is organized by volunteers and has no formal membership. Everybody who is willing to join our activities and the email list can do so! All projects are self organized and everybody who organised a project becomes a **BANg Coordinator**. The Coordinators set up the website, take decisions, provide help for members to realize projects and have the responsibility for the mission statement.

Join us!

Add your e-mail to our network-mailinglist!

Send an email to bang-europe@lists.riseup.net

If you have questions on projects in your home country you can also contact one of our country contacts which you can find on our website.

BANg contact: contact@bang-europe.org

Organise a project!

Do YOU have an idea for a Youth Project against nuclear weapons? Do you want to do this in the name of BANg? Do you need support? Do you want to become your project an official BANg project, spread information through our email-list and report on it on this website? Then visit our website to see already done projects or to fill in the project application form for your own project.
